---

1. Introduction & Core Ethical Commitment

Welcome to **BAKEBOX**, Mathura's premier digital celebration platform. This policy outlines what you (the User) can do on our application, what information we collect, and how we protect your personal data.

Our Ironclad Privacy Pledge

- **Zero Malicious Intent:** BAKEBOX collects personal data strictly to fulfill your bakery orders, ensure timely delivery, and enhance your celebration experience.
- **We NEVER Sell Your Data:** Your phone number, name, address, and personal dates are **never sold, traded, rented, or monetized** to third-party data brokers, telemarketers, or external advertising networks.
- **Consent-First Communication:** All promotional offers, celebration reminders, and special discounts are sent **only with your explicit opt-in consent**, with an effortless 1-click opt-out available at all times.

---

2. What Users Can Do on the BAKEBOX App (User Privileges & Features)

As a registered BAKEBOX user, you have full access to our complete digital bakery ecosystem:

1. **Browse Real-Time Bakery Catalogs:**

- Explore standard celebration cakes across 6 proprietary sponge bases (Khoaa/Mawa, Belgian Chocolate, Red Velvet, Vanilla Chiffon, Tooti-Fruti, Britannia).
- Filter effortlessly by 100% Pure Veg (Eggless), flavor profiles, weight options (0.5kg, 1kg), and occasions.

2. **Order with Dual-Speed Fulfillment:**
    - **Ready-to-Deliver ("Available Right Now"):** Order cakes freshly frosted today within the last 6 hours for express doorstep delivery in **1 to 2 hours or less**.
    - **Live Custom Decoration:** Order custom-iced cakes freshly decorated from the day's batch sponges with a **3 to 4 hour** live preparation turnaround.
3. **Instant Hot Oven Snacks & Fresh Bakes:**
    - Order hot street-style loaded patties (Butter, Tandoori, Mayo, Pizza style), gourmet baked puffs, egg flower patties, and fresh pav/kulcha packs delivered in 45–60 minutes.
4. **Party Essentials & Accessories Cart:**
    - Add musical lotus blossom candles, cold-pyro sparkler fountains, chrome latex balloons, confetti cannons, birthday crowns, and food-grade cake knives to any order.
5. **1-on-1 Master Baker Custom Consultations:**
    - Commission custom 3D themed cakes (Barbie doll, Doraemon, Marvel) and grand multi-tier ('Manjil') wedding cakes with floor-by-floor flavor selection and direct chef calling.
6. **Live Multi-Slot Scheduling & Real-Time Tracking:**
    - Choose between Morning (9 AM–1 PM), Afternoon (1 PM–5 PM), Evening (5 PM–9 PM), or **Special Midnight (11 PM–12 AM)** delivery windows with live rider dispatch status.
7. **Occasion Vault & Personal Celebration Calendar:**
    - Save family birthdays, anniversaries, and special milestones in your app profile to receive timely baking alerts and personalized AI recommendations.
8. **Feedback & Quality Resolution:**
    - Report transit damage for 100% instant re-bake/refund, or access our *Celebration Happiness Guarantee* for taste-preference goodwill credits.

---

3. Information We Collect & Why We Need It

Data Category	Specific Information Collected	Purpose & Legitimate Use	User Control & Permission
Identity & Authentication	Full Name, Mobile Phone Number, Email Address.	Account creation, OTP login verification, sending tax invoice & order receipts.	Mandatory for account creation; editable in profile settings.
Delivery & Location Data	Physical Address, House/Flat No., Landmark, GPS location (while app is in use).	Routing orders to the nearest kitchen branch (Khatoti Kua or Gausna) and rider navigation across Mathura.	GPS permission is optional; manual address entry is fully supported.
Celebration Milestone Vault (Optional)	Family Birthday dates, Anniversary dates, Kid's Age / Milestone names.	Sending timely reminder notifications 24–48 hours ahead so you never miss a celebration.	100% Optional. User can add, edit, or delete dates anytime.
Order History & Palate Preferences	Past items ordered, preferred sweetness level, eggless preference, favorite flavors.	Personalizing RAG AI recommendations and preventing repetitive taste mismatches.	Automated via app interactions; clearable upon profile reset.
Device & App Performance	Device model, OS version, push notification token, app crash logs.	Maintaining app stability, preventing fraud, and delivering real-time delivery push notifications.	Managed via your phone's standard app permissions.

---

4. Notifications, Marketing & Promotional Advertising Policy

A. Operational & Transactional Messages (Mandatory for Service)

These messages are critical for your order fulfillment and cannot be unsubscribed while an order is active:

- OTP codes for secure phone login.
- Live order confirmations, baking status updates, and rider arrival alerts.
- Chef consultation calls/messages for 24-hr advance custom cakes.
- Customer support, refund updates, and replacement dispatches.

B. Promotional Marketing & Celebration Reminders (Strictly Opt-In with Consent)

We love celebrating with you, but we respect your digital peace:

1. **Types of Promotional Communications:**
    - **Milestone Reminders:** Gentle reminders 24 to 48 hours before your saved family birthdays or anniversaries.
    - **Festive & Seasonal Offers:** Exclusive Mathura festival specials (Janmashtami Mawa cake specials, Diwali cookie hampers, Holi snack bundles).
    - **Weekend BAKEBOX Deals:** Flash discounts, free accessory vouchers, or wallet cashback promotions.
2. **Strict Consent Architecture:**
    - During sign-up, you can toggle promotional notifications ON or OFF.
    - We will **never spam** your phone with relentless marketing calls. Promotional notifications are capped at a maximum of **1 to 2 curated updates per week**.
3. **1-Click Easy Opt-Out / Unsubscribe:**
    - You can revoke marketing consent at any time directly in the app: **App Menu $\rightarrow$ Settings $\rightarrow$ Notification Preferences $\rightarrow$ Turn Off Promotional Alerts**.
    - On WhatsApp, simply reply **"STOP"** to instantly mute all promotional broadcasts while keeping your order tracking messages active.

---

5. Data Security, Protection & Storage Architecture

1. **Bank-Grade Encryption:** All data transmitted between your smartphone and BAKEBOX servers is encrypted using industry-standard TLS/SSL encryption.

2. **Payment Card Industry (PCI-DSS) Compliance:** BAKEBOX never stores your credit card numbers, debit card numbers, or UPI PINs. All payments are securely processed by RBI-licensed payment gateways (UPI, Paytm, PhonePe, Razorpay).
3. **Strict Internal Access Controls:** Only authorized kitchen dispatch staff and customer support personnel can view recipient addresses and delivery instructions for active orders.
4. **Data Retention Limits:** Inactive guest account logs are automatically purged after 18 months, unless required by Indian tax and FSSAI statutory regulations.

---

6. User Rights & Account Management

Under the Digital Personal Data Protection (DPDP) Act and BAKEBOX platform standards, every user has the following rights:

1. **Right to Access & Review:** You can view all saved addresses, active orders, past order invoices, and celebration dates directly in your profile.
2. **Right to Correction:** You can modify your name, contact phone number, and address at any time in the app.
3. **Right to Account Deletion (Right to Be Forgotten):**
    - You can permanently delete your BAKEBOX account and associated profile data anytime by going to:
      App Menu $\rightarrow$ Settings $\rightarrow$ Delete My Account.
    - Upon deletion, your phone number, addresses, and saved dates are permanently scrubbed from our active marketing and consumer databases within 7 working days.

---

7. Acceptable Use & Prohibited Activities

To maintain a safe, fair, and seamless service for our bakers, delivery riders, and fellow customers, users agree to avoid:

1. **Fake Orders / Malicious COD Abuse:** Placing fraudulent orders, fake Cash-on-Delivery (COD) bookings, or repeated doorstep refusals will result in permanent blacklisting and mobile number deactivation.
2. **Harassment of Staff:** Any verbal abuse, abusive language, or harassment directed at delivery partners, customer support agents, or master chefs will result in immediate service termination.

3. **Platform Misuse:** Attempting to reverse-engineer the BAKEBOX application, scrape product catalogs, inject malicious scripts, or bypass payment systems is strictly illegal and subject to legal prosecution.
4. **Design Copyright:** Cake designs, visual product renders, brand imagery, and software code are the intellectual property of BAKEBOX and Shri Ram Bakery.

---

8. Grievance Redressal & Contact Desk

If you have any questions, concerns, or complaints regarding your privacy, personal data, or notification preferences, our dedicated team is at your disposal:

- **Customer Support Hotline:** +91 9528702189
- **Live Orders & WhatsApp Concierge:** +91 8923701210
- **Data Grievance Officer:** Grievance Redressal Desk, BAKEBOX Technologies
- **Address:** Bhagel Chaupal, Khatoti Kua, Mathura, Uttar Pradesh, PIN 281001
- **Email:** bakebox.order@gmail.com
- **Resolution Timeline:** All user privacy concerns and data deletion requests are acknowledged within 24 hours and fully resolved within 7 business days.
